Sadip Khatri

<u>Front End Developer</u>

Address	Gongabu , Kathmandu
Contact Number	9869946896
Email	sadipkhatri123@gmail.com

SUMMARY

Aspiring front-end developer with a solid understanding of HTML, CSS, and JavaScript, currently expanding my skills in React. Passionate about building responsive, user-friendly web interfaces with clean and efficient code. Eager to learn and grow in a collaborative environment while gaining hands-on experience in modern web development.

EDUCATION

Nagarjuna Academy (Kathmandu)

School
Apr, 2007 - Jul, 2019

I finished my education at Nagarjuna Academy, where I established a strong academic base and cultivated a deep interest in computers. Through participation in numerous extracurricular activities, I enhanced my teamwork and leadership abilities. These pivotal years fostered my curiosity and laid the groundwork for my subsequent studies in computer science.

Kathmandu Model College (Kathmandu)

+2
Nov, 2020 - May, 2021

Throughout my 11th and 12th grades at Kathmandu Model College, I developed a strong enthusiasm for computer science, which has become the cornerstone of my current academic pursuits.

Kathmandu Model College (Kathmandu)

Bachelor of Computer Applications
Nov, 2022 - Present

I am currently pursuing a Bachelor's degree in Computer Application at Kathmandu Model College, where I am deepening my knowledge of programming, algorithms, and software development. The courses and projects I am involved in are equipping me with the essential skills to tackle real-world technological issues.
